REHABILITATION PROFESSIONALS

What will your physiotherapist do for you?

You will receive a thorough assessment of your condition or injury. You will be provided with an individualized treatment program designed especially for you.

We can help you with:

- Sports Injuries
- Soft Tissue Injuries
- Neck and Back Pain
- Post-Surgical Conditions
- Pelvic Conditions
- Movements and Postural Dysfunction
- Running and Gait Analysis
- Arthritis / Osteoporosis
- Neurological Conditions
- Vestibular Rehabilitation

The Clinic

Aquatic Centre Physiotherapy is the largest rehabilitation centre on the North Shore. It is located on the second floor of the new West Vancouver Aquatic Centre. The clinic has a relaxing environment and is part of a state of the art fitness center and pool facilities.

All of our physiotherapists are university trained with extensive post graduate education in various fields including:

- Manual Therapy
- Manipulative Therapy
- Sports Injuries
- Ultrasound, Muscle Stimulation, TENS and Laser
- Exercise Prescription

*Committed to excellence
and professionalism*
